COMMENTS:

Finally! Another chapter of Gou-dere is out. Thanks to the staff who helped with the production and to our guest checker, Mon! I had to bother her to do the final checking before we were 100% sure that the whole thing is ready. This chapter is more like a filler than the actual filler chapter, because it has more pages than that one. Unfortunately Goudere Bishoujo Nagihara Sora ends at chapter 14.5, but don't fret. The crazy cast of Goudere will be back on their 2nd serial. This change happened because the series has changed publishers. We hope you guys enjoyed this release!
